Educating The Next Generation of
World Class Leaders

THE PRINCIPAL'S *SPEECH*

It gives me great joy to welcome you all as we begin this new term together. Each new session brings with it fresh opportunities — opportunities to learn, to grow, and to support one another in becoming the best versions of ourselves.

To our returning students and staff, welcome back. To those joining us for the first time, we are delighted to have you as part of our family.

This year, let us commit to excellence — in academics, in character, and in service. Let us remember that respect, kindness, and hard work are the foundation of our success. Every effort you make, no matter how small, contributes to the greatness of our community.

Together, we will make this a session of achievement, resilience, and unity. I encourage each of you to seize every opportunity, support one another, and aim high.

Thank you, and I look forward to a productive and inspiring term ahead.

NEW COMMUNICATION CHANNELS FOR ENQUIRIES AND COMPLAINTS

In our continuous effort to ensure seamless and effective communication between the school and our esteemed parents, we are pleased to introduce new channels for handling enquiries and complaints. This initiative follows our recent review sessions aimed at improving responsiveness and ensuring that concerns are addressed promptly.

Going forward, parents may contact the following persons and departments directly, depending on the nature of the enquiry or complaint:

- Vice Principal – Hostel issues, and pastoral care (+234 802 343 3509)
- Head of Academics – Curriculum, teaching, and learning issues. (+234 708 553 6066)
- Accounts Office – Fees, payments, and other financial enquiries. (+234 703 236 5758)
- Admissions Office – Enrolment and admissions-related concerns. (+234 812 398 3572)
- School Secretary – Correspondence and administrative assistance. (+234 707 204 6558)
- Reception/Front Desk – General enquiries and information support. (+234 916 845 6239)

We believe that these dedicated communication pathways will enhance efficiency, reduce delays, and strengthen the partnership between home and school in the interest of our students.

We kindly encourage parents to make use of these channels to ensure that their concerns and enquiries are attended to swiftly and appropriately.

Thank you for your continued cooperation and support.

STUDENT SPOTLIGHT

Celebrating Excellence: *Oluwanifemi Ogundele* Shines on the Global Stage

At Nobelhouse College, we take immense pride in celebrating the success stories of our students — and today, we shine the spotlight on Oluwanifemi Ogundele, who has been recognized at the British Council Recognition and Outstanding Cambridge Learner Awards 2025 as the Overall Best Student in Environmental Management.

Graduating with the Class of 2023/2024 and serving as the Dux Scholar for his set, Oluwanifemi's journey has been nothing short of inspiring. With a consistent track record of academic excellence, discipline, and determination, he represents the very best of what we stand for at Nobelhouse College.

This achievement is not only a testament to Oluwanifemi's hard work but also a reflection of how we nurture, challenge, and empower our students to excel beyond the classroom. He has made his parents proud, and equally, he has brought immense pride to the entire Nobelhouse community.

As we celebrate this milestone, we encourage every Nobelhouse student to follow in his footsteps — to aim higher, embrace challenges, and strive for excellence. This recognition reinforces our vision of placing Nobelhouse College firmly on the global stage, and we remain committed to raising more world-class achievers in the years to come.

Congratulations once again, Oluwanifemi! Your success is our pride, and your story is an inspiration.
